April 2016

Dear Parents and Carers,

Thank you to all of the parents who completed the 'Life as a British Citizen' parent questionnaire; we had a successful response from parents. We were pleased with receiving such positive feedback from our parents about Newdale and can assure you we have spent time reading each and every one of the surveys we received. Below are a few parent responses taken directly from the survey.

'I am pleased that my children are being taught about equality and diversity at school as well as at home! Keep up the good work Newdale.'

'I am so impressed so far with Newdale. Thank you so much for everything that you all do. It doesn't go unnoticed. Newdale is a fantastic school.'

'I think Newdale do amazingly in all these areas.'

'We live in a culturally diverse society and it is therefore important to break down barriers to encourage understanding through education. I think Newdale do this well.'

Firstly keep up the good work, I think the children and teachers are a credit to the school.'

'Through schools approach, our children are enabled to distinguish, amongst other values, right from wrong and enablement to develop their own self-knowledge and confidence in what they believe. They've shown initiative to accept responsibility for their behaviour and positively contribute to society and their local and wider communities. Valuable life lessons, Thank you.'

Through detailed analysis, it was apparent that some parents were unsure whether certain issues raised in the questionnaire were addressed in school. If you are interested in seeing where/how these areas are implemented within our curriculum, please visit our school website where you will be able to access coverage and progression documents which set out how, as a school, these areas are addressed, with clear references to each year group. Parents were also given a SMSC/Citizenship guide in September 2015; this is also available on the school website.

Once again, thank you to all the parents who completed the questionnaire. We value your opinions here at Newdale as they help us to make our school even better!

Yours Sincerely,

Miss Macfarlane
SMSC/Citizenship Lead
