

REGISTER OF BUSINESS INTERESTS – Newdale Primary School & Nursery

From 1 September 2015, governing bodies will be under a duty to publish on their website their register of interests. The register should set out the relevant business interests of governors and details of any other educational establishments they govern. The register should also set out any relationships between governors and members of the school staff including spouses, partners and relatives. 'None' should be the recorded entry on the register by governors who have no interests to register.
