Dear Parents and Carers,

Spelling in the New National Curriculum

Children in Year 5 are following the New National Curriculum 2014. This contains a series of word lists which the government hopes all children should be able to spell by the end of their time at Newdale.

Here at Newdale we have broken these word lists into more manageable chunks to learn each half term. Please note that this is in addition to the children's weekly spellings where children learn about particular spelling rules.

On the back of this page, we have listed these words.

If you would like to work on helping your child practise these spelling at home, it would be gratefully appreciated.

Yours sincerely,

Miss Macfarlane

Miss Taylor
