

2019/2020 SEND Information Report -overview summary for Parents.

You said..... We Did!

Following helpful feedback from our recent survey in which Parents felt the SEND Information report was too long in length we have provided the following overview summary for those Parents who would prefer the highlights of the report.

The report contains information on:

- Definition of Special Educational Needs.
- The four broad areas of Special Educational Needs.
- Identification and Assessment of Pupils with SEND.
- SEND Provision at Newdale.
- Information about Interventions available at Newdale.
- Information about staff training in relation to SEND.
- Information about equipment in relation to SEND.
- Facilities at Newdale which cater for all pupils.
- Information about the Governing Body and complaints procedure.
- Information about Local Authority Services including Health and Social services.
- Transition information between schools.
- Information about Looked After Children who also have SEND.
- Information about the Local Offer and hyperlink to access it.
- Information about how the school supported children with SEND and their families during the recent COVID-19 Pandemic.
