

## Phonics - Friday 8th January

We are practising the 'ey' sound today. Practise reading the sound card:

money  
donkey  
turkey  
monkey  
chimney  
key  
valley

Yesterday, you practised reading lots of words containing the 'ey' sound. Today, we would like you to practise writing some of the words that contain the 'ey' sound.

Use these 'ey' words to create your own spelling spiral. You can see an example of a spelling spiral below.

Think carefully about the spelling of each word and don't forget that they all contain the special friend 'ey'.

Be creative - you can write the words in different ways and use different colours!

You can print the spiral template attached - but it is probably easier to draw your own onto plain paper.
