

Calling all KS2 Rockstars...

We're celebrating Maths Week England by taking part in a friendly times tables (and division) competition, on Times Table Rockstars. The competition runs from **07:30 GMT Monday 14th November to 19:30 GMT Wednesday 16th November.**

Children can play in **any game mode** with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). **Winning classes in the school and in the competition as a whole will be the ones with the highest average.**

To support player wellbeing, there is a **daily time limit of 60-minutes per player.** Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please don't play on their behalf but by all means encourage your rockstars at home!
