

Newdale Primary and Nursery School are delighted to be supporting the NSPCC by taking part in Number Day on Friday 3 February 2023.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline - the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds!**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- Pupils at Newdale, from Nursery to Year 6, will be taking part in a Maths-themed day; including problem solving challenges, TTRS competitions, Maths story books and Maths achievement certificates in our Celebration assembly.
- We will also be taking part in **Dress up for Digits**. All pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme - you can get lots of ideas online!
- To help raise money for the NSPCC, we are asking for families to donate what they can to support this charity. You can do this via Parent Pay. Many thanks in advance 😊

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Newdale will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Miss McCullagh (Maths Co-ordinator)
