Dear Parents / Carers,

Newdale Primary Home / School Agreement

We believe that children learn best when home and school work together in partnership.

The Department of Education asks schools to foster good home / school links and encourages schools to produce Home / School Agreements. These agreements reinforce how important good relations between school, children and families are.

Our children and staff have worked hard to produce an agreement which we all feel would help us to work together to succeed.

Children were asked to think about their part of the agreement to remind them of the importance of doing their best in school. They may then sign the agreement as a commitment to doing well at Newdale.

I have signed the agreement on behalf of all the staff in our school and we would greatly appreciate it if parents / carers could sign and return the agreement to school, showing you support us in our aims.

We look forward to working in partnership with you for many years to come.

If you have any questions regarding this, please contact school.

Yours sincerely,

R. Cook
Headteacher

Newdale Primary School Home / School Agreement

As a school, we will work hard to ensure that children fulfil their potential in the basic skills of reading, writing and maths. We will set high but achievable expectations for all our children.

Children at Newdale will also have a wide range of other learning opportunities. We endeavour to make the learning journey as enjoyable and practical as we can. Parents / carers are informed about their child's progress in school and are encouraged to be actively involved in their child's learning.

We will care for children and ensure they are safe, happy and secure whilst they are at school.

We will be an approachable team, eager to work closely with families to enable children to do their best.

Children's Agreement

At Newdale we want everyone to enjoy coming to school to celebrate their own success and that of others.

As we are a Be-SMART school, where everyone is a doer, believer and achiever, it is important that we follow the Be-SMART code:

Our Be-SMART Code

Behave well

Speak politely

Make school enjoyable for everyone

Act safely

Respect and care for others

Tell someone your worries

I will always do my best and work really hard in class.

I will try to be as independent as I can be and will show this by carrying my own bags, putting on my own coat / tying shoe laces and giving letters to my parents / carers as soon as I receive them.

I will make sure that I go to bed on time and when I am asked, as I understand that sleep is important to help me learn.

I will make good choices with food, ensuring that I eat treats in moderation and that I understand why this is important.

I will display good manners at all times.

I will use technology sensibly, using the advice that my parents / carers and teachers give me. I will share information about which apps and sites I am using with my parents / carers and teachers.
