

14th- 18th October 2024

Where is Arthog?

Arthog Outdoor Education Centre is purpose built and sits nestled in the hills just above Fairbourne, overlooking the Mawwdach Estuary and Barmouth.

We will travel by coach - it takes a couple of hours on the twisty roads to the Welsh coast!

If you have travelsick children, they may require sickness tablets or bands...

We usually leave around 9.30am and get to Arthog at lunch time. You will need to bring your own lunch on the first day, but after that, everything is provided.

Who is eligible to go?

- All year 6 children are invited (including children with complex needs)
- Staffing is made up of school staff and centre staff
- The centre belongs to Telford and Wrekin and is fully accredited

An experienced team of outdoor practitioners who are highly qualified in adventure activity leadership, and are also very skillful at using the outdoor experience to promote personal and social development and learning.

Why do we choose Arthog?

- Quality adventure activities in the REAL outdoors
- Broad curriculum
- New skills / interests
- Growing confidence / self esteem
- Team working and a new environment
- Instructors adapt activities to meet the needs of their group
- The children love it!

What activities will I do?

Here are some of the activities we may do:

- Gorge Walking
- Climbing
- Canoeing
- Trail quest
- Hill Walking
- Orienteering
- Beach
- Coastal investigations
- John Muir conservation award

What activities will I do?

The children will be placed into groups of 12, with an adult from school and a qualified instructor.

Day one...

After lunch, you will be told your groups and begin to complete team building activities together.

This is also an opportunity for your instructor to get to know you!

You will be given your kit for the week and there is usually a trip to the beach, a chance to make up your bed, dinner and an evening activity.

The rest of the week will consist of various activities....

Gorge Walking

This is climbing a stream/waterfall the wrong way! We start down at the beach and climb upwards... with a treat at the end!

The children support each other along the way and it is by far the most memorable activity.

Canoeing

We either go onto the estuary, or, usually, use a small lake near to the centre. They also may use kayaks...

Hill Walking

A chance to spend the day exploring the beautiful Welsh countryside and enjoy a picnic at the top of a mountain!

Climbing

Formal climbing with ropes, often up at Barmouth Crags gives these beautiful views over the Mawddach Estuary...

Scrambling through rocky terrain is also great fun!

What might I do in the evenings?

We will have a variety of evening activities planned, including a walk along the estuary, a movie/quiz night, orienteering, games and activities on the grounds and a nightline challenge.

What will I eat?

Arthog has a great team who produce a wide selection of food each evening. There is something for everyone and they are very accomodating!

They cater for all allergies and intolerances.

Breakfast - comprises of cereal, fruit, yogurts or a cooked breakfast.

Lunch - a packed lunch is given daily. You have a choice of sandwiches, crisps, fruit and a snack.

Dinner - a choice of main course, with salad and desert.

Where will I sleep?

Prior to visiting Arthog, we will ask you all to write down the names of three friends you would like to share a dorm with.

The size of the dorm rooms vary and depends on what Arthog has available. We make sure everyone is with at least one of their friends from their list.

There are toilets beside each dorm and showers are in cubicles, with lockable doors for privacy.

What do you need to bring to Arthog?

Kit List
(5-day programme - bring less for shorter visits)

Used as a **checklist** so that things can be ticked off as they are packed into your suitcase.

Tips for Parents/Guardians
Encourage young visitors in packing so they learn how to pack and can see what they are taking with them.

Remember to bring as many things as possible – we get lots of things left behind each week.
Bring mobile phones, music players, computer games, jewellery and fashion accessories.

Bring a single bottom sheet, duvet cover and pillowcase.
Make sure it fits a duvet cover before arriving!

Bring warm clothes are most useful. If clothes get wet they can be dried in the drying room. (We encourage youngsters to reuse dried worn clothes!)

Don't bring Money – Ask your school for advice but don't bring too much.

Don't bring:
Sneakers – they are not suitable for activities – they keep wet, and make you colder.
Sleeping bags, Aerosol deodorants or other sprays. Roll-on and stick deodorants are fine.

What we will provide:
Waterproof jacket
Waterproof over-trousers
Wellington boots
Sacks

Please use the list overleaf to help with your packing. Good Luck!
