A Halloween-themed poster illustration. At the top, a large, bright yellow full moon is set against a dark blue night sky with white lightning bolts and silhouettes of flying bats. Below the moon, the words "HALLOWEEN" and "QUIZ NIGHT" are written in large, bold, orange letters. The background features a dark, spooky landscape with rolling hills, bare trees, and a large, multi-story house with glowing orange windows. In the foreground, a carved jack-o'-lantern with a smiling face sits on a dark surface. The entire scene is framed by a dark blue border with orange bat silhouettes in the corners.

Have a safe Halloween

- Adults should always accompany children when trick or treating. Young people should never go trick or treating alone.
- Do not knock on the doors of strangers - only go to people you know. Never go into a stranger's house.
- Always keep to well-lit areas. Wear bright clothing and always carry a torch. Remember road safety.
- Unless pre-arranged, do not visit elderly members of the community. Be careful not to frighten vulnerable people.
- Keep your tricks within the law - anything that results in damage is an offence and will be dealt with as such.
- Please do not knock on doors where there is a 'No trick or treat sign'.
