"Blast Off" by Saltmine Company- Online Safety Workshop

Dear Parent/Carer,

We are delighted to inform you about a crucial upcoming event that we have arranged for our pupils. On **Thursday 6th February**, Saltmine Company, renowned for their engaging and dynamic performances, will be presenting their production "Blast Off" at our school.

"Blast Off" is an impactful and educational performance that addresses vital topics such as online safety, grooming, cyber security, and inappropriate content online. The sessions will be pitched appropriately for the age of our children. Children from Year 1-3 will attend one performance, and Year 4-6 the other. It will be an enlightening experience that will equip our students with the knowledge and skills to navigate the digital world safely and responsibly.

To support this, we kindly request a donation of £2 per pupil. This contribution will help us cover the costs associated with bringing this important performance to our school. We believe that this performance will be a valuable addition to our educational program.

Should you have any questions or require further information, please do not hesitate to contact us. We look forward to your support in making this event a memorable and enriching experience for our pupils.

Kind regards
Miss Cook
